Cindy's Diary

Wednesday, 22nd October

Our class is learning about jokes (笑话) this week. A joke is a question or a story with an interesting ending (结尾). A good joke makes people happy. Our teacher always reads jokes to us. We get a lot of fun from them.

It's Joke Day tomorrow. Each student is going to tell a joke to the class. I read a joke yesterday, and I'm going to tell it to my classmates. It goes like this: A girl talks on the phone for half an hour, and then she hangs up (挂断电话). "Wow!" says her father. "That's short. You usually talk for two hours. What happened (发生)?" "Wrong (错误的) number," answers the girl.
